

4. Edit / change data

1 Change visit data

- To edit saved data click the status icon for the form and click the "Change" button to open the form for changes. Edit the data and click the "Save" button.
- If data is changed the audit trail is activated and a reason for change must be given to save the form. Choose a reason for change in the drop-down list or write another reason in the free text field to the right of the drop-down list.
- If the form that is changed was signed the signature will be broken and the form will need to be signed again.
- The "Cancel" button will take you back to the Visit calendar without changing the form data.
- Log form data is changed by opening the log row and clicking the "Change" button. If data is changed the audit trail will be activated.

PATIENT ID: KR 999 00005 | GENDER: Female | BIRTH DATE: 1965-01-01 | STATUS: Active

Metabolic, Background, 2010-07-15

Metabolic - Background Comorbidities

Report date: 2010 Jul 15
